

## Junior School News

Friday 27<sup>th</sup> March 2015

### Federation Assembly

Last Friday the children from both schools gathered in the Junior School hall to celebrate being part of the Ladysmith Federation. We unveiled our new school logo, and explained the significance of the three wavy lines – they represent the Nursery, Infant and Junior Schools, and also show how we are proud to be an Exeter school by symbolising the River Exe.

We also introduced our new Federation motto by explaining the meaning of the three words and how they will be central to the learning experience we want for the children of Ladysmith. The teachers and children will use **ambition** and **adventure** to ensure that **achievement** is as good as it can possibly be for every child.

### Thank You

For the last 8 weeks Mrs Brown has taken sports teams to a variety of different competitions every week after school. Over 60 children have had the opportunity to represent the school, and Mrs Brown has given her own time to organise the events and to go along and support the teams. We all really appreciate it.

### Thank You

Thank you to all the Y6 staff who made the residential visit and activity week so enjoyable for the children. All the children took part in activities that have extended their learning and pushed them to do things they may not have done before, and it was really good to see how much they seemed to get out of the week. I know the staff all worked really hard to make the week a success, and we really appreciate it! You can hear more about the Beam House visit at our special Family Assembly on Friday 17<sup>th</sup> April at 9.00am

I hope you all have an enjoyable Easter holiday, and look forward to seeing you back in school on Monday 13<sup>th</sup> April.
