Bake Off

In place of this terms Pop-Up Café, we will be hosting our very own,
Ladysmith Great British Bake Off!
The event will be at the Junior School on **Thursday 26th March.** The event will be in the hall with a range of Easter themed activities available inside and out! Watch this space and on Facebook for how to get involved!

World Book Day

It was wonderful to see so many children and adults make such an effort for yesterday's World Book Day. They looked fantastic!

The children really enjoyed sharing stories with children in the Infant School—it was lovely to see them together.

Each child should have received a book token which entitles them to selected free books or £1 off a different title.

We currently have opportunities for several governors.

Our governors play an important role in the school. You do not need any specific skills or experience to become a governor; whatever you bring will be an asset to the school. If you happen to have experience in accounting or HR or if you've previously been Chair of Governors, all the better.

What do Governors do?

Governors are responsible for overseeing the management side of a school: strategy, policy, budgeting and staffing. They enable their school to run as effectively as possible, working alongside senior leaders and supporting teachers to provide excellent education to children. *There is more information available by clicking here.*

Who can apply?

If you, grandparents, aunties, uncles, other relatives or any one in your circle of friends is interested in becoming a governor at Ladysmith Federation please email the chair of governors *ldunford@ladysmithfederation.net* or speak to the headteacher.

Bis-net courses are coming to Tiverton this summer
Caring for a child with behaviour support needs can be challenging and at times isolating. Bis-net courses give parents and professionals a chance to learn strategies and techniques that have been used in professional practice and in the home with success. The course also offers group activities allowing you to meet others going through similar experiences and share ideas and support. To find out more about the training in Tiverton go to: *https://www.devon.gov.uk/eycs/bis-net-courses-are-coming-to-tiverton-this-summer/*
