Ambition

The **HUGG** Project

HELP US GROW GREEN

Announcing our new outdoor space project with the award of £16,600 towards the £33,000 that we need to transform our playgrounds. We know our children need a greener environment. We are starting with a re-design of our reception outside area.

Adventure

Outdoor Classroom Day

We don't need any excuses to get outside and do our learning in the open air! We know how important it is for our mental health and sense of well being too.

Achievement

Thank you for your support at the Key Stage One Garden Party.

We are always amazed and delighted with the attendance at this event. The cream teas and cakes made a wonderful accompaniment to the singing and poetry from the Year One and Two children.

30 Days Wild

At Ladysmith we work in partnership with the Devon Wildlife Trust, and are once again pleased to share the brilliant initiative that is the 30 days wild challenge. We know from research that simply being outside is good for children's well being and mental health and also supports their understanding of local nature, sustainability issues and other environmental issues. You can sign up by clicking below to get your free 30 Days Wild pack, which includes a wallchart, a poster, an interactive booklet and some stickers to help you go wild. Just select who is taking part and take the next step: <https://action.wildlifetrusts.org/page/40705/petition/1?locale=en-GB>

Devon Dogs

Devon Dogs Trust are going to be visiting our school, after the half term holiday, to talk dog safety and awareness. Children, from Nursery to Year 2, will be listening to a speaker in assembly and taking part in a workshop learning about how to be dog smart.

2018/19 Dental Survey

The lead clinician would like to pass on his thanks to parents recently agreeing for their children to have a random dental check. This has taken place and will assist in the planning of dental services in future.
