Ladysmith World Cup

As part of School Sport Week, two fabulous afternoons of football were enjoyed this week. In the Year 3/4 competition it was a nail biting final between Switzerland and Belgium with Switzerland coming out as champions. The spirit of the games award was won by Spain with individual awards going to Olive, Kira and Saaleh.

The Year 5/6 competition was equally exciting. The final was well contested between Scotland and Nigeria with Scotland winning 1 – 0. The Year 5/6 Spirit of the games award was won by Australia.

Well done to all the teams that took part.

Teddy Tombola

Year 3 will be running a teddy tombola stall at the summer fair and are asking for donations of teddies. If you have any unwanted teddies that are clean and in good order they could find a new home at the Summer Fair. Please bring donations to either Mrs Nyeko or the school office.

Suncream

As we are hopefully coming into the warmer weather we need to make sure that we are taking the correct precautions. Please remember that children can bring suncream to school if they need to apply it during day or alternatively, they could apply an all-day lotion before they come to school. Children should also try to bring hats if they are going to be outside for long periods of time.

Harmony Music Centre

Harmony Music Centre provides a free opportunity for children and young people to play music together. It is run at St Peter's School on Tuesdays and is looking for new members. All abilities are welcome. If your

child is interested in joining please contact the Harmony team at

exeterharmony@outlook.com

or call 07780340791.

Ambition Adventure Achievement

This week's Teacher Feature: Mr Broad

What are your favourite hobbies? Riding my road bike, sea kayaking and playing the guitar, and mandola.

What are your favourite subjects to teach and why? I love teaching PE because you can do so many different activities, especially at Ladysmith where we have an amazing field to play sports on.

Do you have any children? Yes. I live with my wife, Lisa and my two children. Caitlin is 5 and Olivia is nearly 3.

How many countries have you visited? I have family in Berlin so I have been to Germany a few times. I have also been on holiday to Greece and France. On honeymoon, I went on a Mediterranean cruise and spent time in Italy and Croatia. We also spend a lot of time in Wales visiting my brother.

Can you juggle? If so, can you show us?! Yes I can! We only have table tennis balls here but we'll try it! I can also juggle with 3 basketballs - catch me at lunchtime and I'll try to show you!

What's your favourite food and drink? Probably steak and chips or spicy curries. My favourite soft drink is coke.

If you could have a superpower, what would it be and why? I would like to be able to teleport so that I could visit places all over the world without travelling!

If you could have any pet in the world, what animal would it be?

I'm not really a 'pet person' but I'd probably like a reptile of some kind: perhaps a chameleon or a snake.

Who is your favourite teacher at school?

I don't have a favourite although Mrs Salter is funny and we have been known to play pranks on each other and each other's classes!

Who was your favourite teacher at school?

Mr Simon's inspired me to try new sports and to always do my best. Mr Gadd was really funny and taught me to play the guitar.

Interview by Will and Mabel 5KH

Next week's Teacher Feature = Mrs Salter
