

English Morning

A hard copy of this letter has been sent home with your child

12th September 2019

Dear Parents and Guardians,

We would like offer you the opportunity to come in and be part/take part in an English lesson in the coming weeks with your child. During the session, we will explore the key elements to the Year 3 English curriculum including understanding word classes and developing sentence structures. This will help support your child further at home and provide a guide to what the expectations are for children in Year 3. Your child will not yet have covered everything in this session. This is more as a guide for you as to what will be expected.

This session will not be aimed to put you on the spot but to be an insight into the key skills, language and terminology your children will be taught. We will be asking you to take part in developing interesting sentences and support your child in their work. During the session, we will provide opportunities for you to ask questions as the children work and there will be some time at the end for questions.

Our English morning will be on **Monday 23rd September** starting at 9:15a.m. On the day, please come to the hall after you have dropped your child off; there will be tea and coffee available. The session will last approximately 1 hour and then there will be an opportunity for any questions after the session, while the children are out at break-time.

Many thanks for your continued support; we hope to see you on 23rd September.

Kind regards

The Year 3 team
