Killerton Run

The Killerton Run was a huge success with all 88 children completing the course with great enthusiasm. The conditions were perfect (apart from the cow poo!) and the children had a fantastic afternoon. We are awaiting the official finishing positions but I know that the children were really proud of

themselves. Many children who went last year came in well ahead of their previous finishing position. It was great to hear how many children recognised the positive effect of running the daily golden mile on their fitness. We are hoping that some of our runners will have qualified for the regional competitions later this year.

Wet Weather Field Use

The field is now too wet and muddy for children to use unless they have studded football boots or wellies on. Well done to all the children who have remembered to bring in permission slips to use football boots at lunchtime; it's great to see the field in use. Slips are available from the letter rack outside reception. We have explained to the children that if they are getting too muddy, they will be asked to leave the field and may not be allowed on the following day: we are encouraging them to stay on their feet as much as they can! The running track will remain open all the year round. Please

remind children to bring coats in to school as they will be outside for break and lunchtimes unless we have heavy, sustained rain.

Football Tournament

The Ladysmith football team played brilliantly on Monday night, working well as a team., Unfortunately, they lost their first game 4-1 but with an impressive late equaliser from Louis, managed to draw 1-1 in their second game. Ladysmith A are in action this coming Monday 21st November.

Lost Property

We have heard from a few parents that their children's jumpers have gone missing despite them being labelled clearly. This can easily happen where children pick up the wrong jumper at the end of lunch or after PE but some items have now been missing for over two weeks. Please check your child's clothes to ensure they do not have someone else's jumper. If your child has lost something, please do encourage them to look in lost property, parents are welcome to come in and have a look also.

SEND

**'Working Together'
Drop-in-Session**
(Open to all parents and carers)

Wednesday 30th November 2016
8.50am-10.30am
in the Health Centre Room
at Infant's School

Everyone is invited to drop-in and have a cuppa, a chat and find out about 'Thrive' at Ladysmith.

Thrive helps teachers prepare children for life's emotional ups and downs.

Our Thrive Practitioner will be joining us.

Hope to see you there.
