Going for Goals

This week, we have been thinking in assembly about going for goals. Mr Broad asked the children to share their goals with him. Here is a selection:

Rosie – get better at riding horses	Reece – to get better at bike riding
Jack – Learn to play the keyboard	Megan – to take her grade 1 piano exam
Rosa – practice her violin	Izzy – improve her butterfly stroke
Kira – to become a professional dancer	Chloe – get really good at the keyboard
Layla – to play her ukulele	Maddison – to do the splits by Christmas
Clia – to run really fast	Bethany – to be able to do horse jumping

Evie – to get better at playing the flute
Chloe – to get better at playing basketball
Filip – to play the piano
Mia – to compete in a gymnastics competition
Ethan – to get better at playing rugby
Trudy – to be as good as Lily at the piano
Isabelle – to be like Cole Porter (famous Jazz musician)
Mary – pass her exams and get into Colyton Grammar School

The important message that we are focusing on links in with Ambition, Adventure and Achievement. The children should be ambitious in what they would like to achieve, they should enjoy the adventure of working towards it and should know that with hard work and commitment there is no reason that they should not achieve their goal.

Ambition Adventure Achievement

School Clubs

After school clubs with Premier Sport are now all up and running. You should also have received a letter from Mr Taylor confirming places in his after school clubs, which are starting next week. Some clubs were very popular and therefore oversubscribed; apologies to anybody who

wasn't able to attend their first choice of club but we will try hard to ensure that they get their first choice after Christmas. Now that after school clubs are sorted, Mr Broad will be turning his attentions to ensuring that there are a range of lunchtime activities for the children to attend. We will update you on this as soon as possible.

Additional Needs Support Group

Would you like to join a group of friendly parents who have children with a range of educational or behavioural needs. We meet each half term to share experiences, worries, laughs and offer support.

Our next meeting is at the Jury's Inn on Monday 21st September at 7.45pm.

For more information contact, Lindsey Blackwell, Family Support Worker. Tel: 07543687410.

Coats

As the weather becomes a little more unpredictable, please can you make sure that your child has a coat, labelled with their name, in school with them. This is so the children can play outside at breaks and lunch time whenever possible.

Job Vacancy

We are seeking to appoint a Mealtime Assistant to join our team. Duties include setting up and clearing the dining halls, assisting children with meals, supervising and encouraging play activities, administering first aid and liaising with teaching staff. Working hours are 12.05pm to 1.30pm daily, term time.

We are committed to safeguarding and promoting the welfare of children and young people, and expect all staff and volunteers to share this commitment.

A DBS disclosure is required for this position.

Please contact Lorraine in the school office for more information or an application form.

E Safety

As mentioned a few weeks ago, the children have been looking at ways to make sure that they are 'E Safe'. In school we have been looking at Kelso's Choices to help us solve problems. Kelso also has some E Safety tips for parents.

Kelso's Tip: Check that websites are suitable before your child visits them. Look for websites that have parental pages that explain how the site works and how they keep your child safe. Remember, some websites and apps have an age limit for a reason.
