

September 2019

Dear Parents and Carers,

Throughout the autumn term, each year 5 class will be visiting Pizza Express to take part in a food workshop. There is no cost for this trip.

This is part of our '25 things to do in Year 5' and we are really excited to be able to tick it off our list! This will be a fantastic experience for the children and learning about food, how to prepare it and the principles of a healthy diet is part of our curriculum. We know the children are very excited!

We will be leaving school promptly at 8.45am to allow for time to walk to Pizza Express. Each child will have the opportunity to create their own pizza, which we will bring back to school for lunch.

As we will be walking to and from Pizza Express, the children will need to bring sensible footwear, a waterproof coat and a drink.

The trip dates as follows:

Thursday 26th September – 5LD

Thursday 3rd October – 5SW

Thursday 7th November – 5MS

Please ensure that you have returned an SOE3a form (sent home on Friday) with details of any allergies. If your child has any allergies, we will make appropriate arrangements with Pizza Express.

If you have any questions, please see your child's teacher.

Many thanks

The Year 5 Team
