Ladysmith
Federation

Science and DT

- Forest School – planting bulbs for the spring and looking at what a bulb needs to grow.
- Materials – looking at the properties of materials and testing the materials to make the stilts for a house.
- Making an animal research vehicle using a chassis, axil and precision making.

PE

- Gymnastics – creating shapes, using equipment, making a sequence of movements

Year 2 Curriculum Spring Term 1

How does Kampong-Ayer compare with where I live?

Hook Day On Friday 6th January 2023

Listening to the sounds of the forest, making a mask, learning about the rainforest and the carnivorous plants that live there, going to forest school to think about adaptation. Come dressed in jungle colours.

Art and Music

- Safari drawing using pastels
- Aurora – The magical toy box. This is a scheme that we will be following encouraging rhythm, recognising instruments and looking at tempo

Maths

- Addition – column addition, learning to add the tens and then the ones
- Subtraction – borrowing, learning to carry and exchange ones for tens
- Geometry – shape. Identifying the edge, vertex and face of 3D shapes
- Money – problem solving

Humanities

- Comparing Kampong to our own home, looking at maps, looking at weather, transport, comparing a day in Kampong to our day, looking at rainforests and how animals have adapted to their environment
- What it means to belong to a faith and community. The golden rule that apply to all religions (treat others how you wish to be treated).
- Visit to Exeter Mosque and St Mark's church(RE)
- Dreams and goals – goals to success and my learning strengths (RSHE)
