## Infant and Nursery Newsletter

1st February 2019

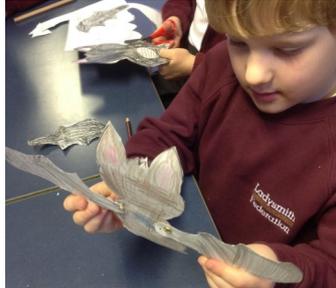

### Ambition

This week our ambition was to become scientists for the day. The children had a fabulous time exploring Forces in a variety of ways and were given the opportunity to share their learning with parents at the end of the day.

### Adventure

### Achievement

An amazing achievement—the school raised £1000 pounds for the charity “Force”. Special thanks must go to Miss Moore for being the driving force behind this and all of those who donated. Thank you.

## Federation News

### Idling

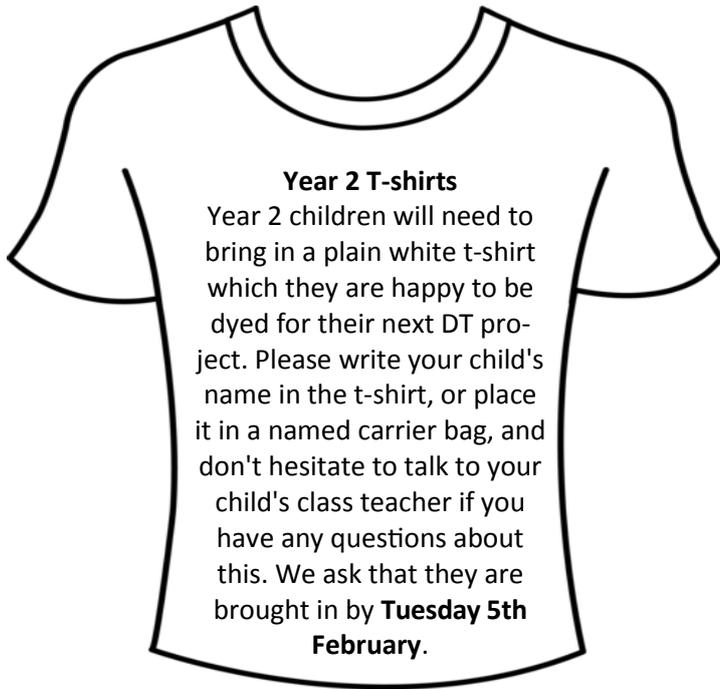

Please remember to turn your engines off while dropping off and picking up your children at school.

Thank you.

### Year 2 T-shirts

Year 2 children will need to bring in a plain white t-shirt which they are happy to be dyed for their next DT project. Please write your child's name in the t-shirt, or place it in a named carrier bag, and don't hesitate to talk to your child's class teacher if you have any questions about this. We ask that they are brought in by **Tuesday 5th February**.

### Science Fair Raffle

Tickets for the Science Fair raffle will be on sale all of next week in the office. A strip of tickets will cost £1 and prizes include passes to the Eden project, Plymouth aquarium tickets, cinema vouchers and more. All proceeds will go towards new science equipment for the school. The draw will be held on the 8th February.

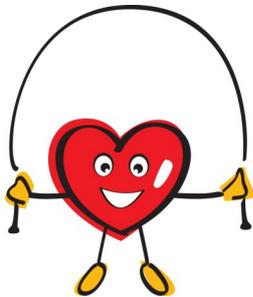

### Meet the Team

Introducing Mr Lee Kulec-Elston, our new caretaker. You will no doubt see him around the school site in the mornings. Lee has already had a positive effect and has been busy tidying up, mending and making Ladysmith Infant and Nursery School a pleasant place to be.

### It's Enrichment Week Next Week!

The week has the theme of '**Healthy Hearts**'. Children will be taking part in a range of activities: creating healthy snacks and designing their own indoor physical games. Also creative dance sessions led by the fantastic dance teacher Lizzie Swinford!

Due to the physical nature of the activities we would like children to come to school **already dressed** in tracksuit bottoms or leggings, sweatshirt and trainers. As activities start promptly at 9:15am there won't be time in school for the children to get changed.

The days are as follows:

**Year 2 - Tuesday 5th February**

**Reception - Wednesday 6th February**

**Year 1 - Thursday 7th February**

## Signs of the Week

friend

good

Our next two key words that we will be learning this week are **'friend'** and **'good'**. Children will be introduced to these signs in assembly and again in the classrooms. Please have a go at these signs with children at home.

We are still collecting for our OPAL project. Please leave your donations in the foyer outside reception. Thank you.

- Old bodyboards,
- swimming noodles,
- Foam items such as pipe lagging or insulation, plastic pipes and guttering
- Old buggies and push chairs
- Large plastic tubs, crates and drums
- Buckets, jugs, pots and pans

### Congratulations Mrs Collinge!

We are pleased to announce that Mrs Collinge and her husband welcomed a baby boy on 27th January. Baby Jago is now settling in at home with Mum and Dad. We hope to meet him soon!

### Pop up Café

Our next café will be on Thursday 14<sup>th</sup> February. We are asking for delicious cake donations from years 1 and 2.
