FEDERATION NEWS

Huge thanks to Sam Cooper who organised the Clip 'n' Climb sessions last Friday. The event was a great success, raising £390 for the GROW project at the Junior School! This just leaves £210 to go before we reach our target of £1000.

History Week

It has been a busy week at Ladysmith with lots of events taking place for our history week. We would like to thank Miss Mayne who organised the activities. The children have been detectives, working out which bag of recycling belongs to which teacher. Year 5 built a house in a day with Astrid's house and every child in the school contributed to our very own round house; **huge** thanks to Carol and Sue for giving up their week to work with the children on this. The children also learned about the 7 ancient wonders of the world.

Ambition  Adventure  Achievement

Ambition

All children have contributed to making a mini round house which will eventually house some chickens when we create our animal enclosure in the near future! See below for some pictures.

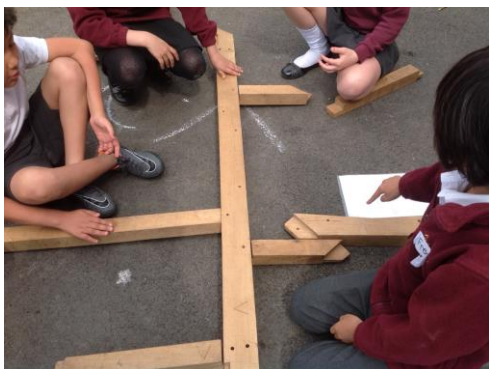

Adventure

Year 4 survived a night sleeping with the sharks at Plymouth Aquarium last night – what a great adventure!

Achievement

Congratulations to Barnaby, who was awarded his PUMA grade 2 Taekwondo award with credit, Chloe who has received awards for gymnastics and football and to Oliver who has achieved his stage 7 swimming certificate.

We also heard from Freddie and Ben who competed in a triathlon last weekend in Exmouth and came 2nd and 6th respectively.

Ladysmith Federation

We welcomed Paul Martin from the Devon Wildlife Trust to assembly this week to introduce the 30 days wild event taking place in June. There are lots of ways for the children to get involved at school and at home with you. Please use the following link if you would like to sign your family up to take part:

Chloe – Footballing Success!

Congratulations to Chloe who plays for Exeter Knights; they got through to the finals of a tournament last weekend:

The team won all 5 matches for a place in the final. The final was against Plymouth. Both teams were evenly matched and the score was neck and neck for the entire game. With two minutes to spare, Plymouth broke through the Knights' defence leaving a clear path to score. Luckily, the goalie (which was me!) managed to save not one but two shots just before the final whistle. The final score was 2-2. By Chloe

Takeaway tubs still needed!

If you have any spare plastic takeaway tubs with lids, please bring them to reception or direct to Mrs Callaway. She is embarking on another marathon slime-production run in order to raise funds for our soon-to-be-completed Thrive room.

The University of Exeter Enrichment Program – Summer Brochure

3 weeks left to book! Primary Enrichment Outreach Programme – summer 2018

The University of Exeter's programme of Primary Enrichment events for KS2 children take place in just under 3 weeks' time (**12th-26th June**). Bookings can be made via our [Online Store](#). We have a really exciting range of courses on offer this term right across the curriculum from animation using ICT programs, cricket, creative writing and mathematics around the world! For the first time ever, we are also running two fantastic music workshops.
