Open Afternoon

Maths Champions

Our four fantastic maths champions, who have already won a local maths competition, spent an amazing day at Exeter Maths School on Wednesday. The team took part in some challenging activities and puzzles and came out overall regional winners in a quiz involving teams from Devon, Somerset and Dorset!

Well done!

This week's Teacher Feature: Miss Helliar

What books do you enjoy reading? Luke H

My top 3 books would have to be... Any of the Sherlock Holmes stories by Sir Conan Doyle, One Day by David Nicholls and I recently read the Divergent series after Hector in my class lent me the first book and I LOVED them!

What's your favourite movie? Hector H

I struggle to pick 1 top film so my top 5 are... Notting Hill, Blind Side, Shawshank Redemption, Lion King and the original Indian Jones trilogy (not the newest one!)

What are your favourite hobbies? - Puje T

I like to stay fairly active and be outdoors so I horse ride, cycle, walk a lot, attempt to surf, go to Crossfit and when I'm not being active I like to bake!

If you could have 1 super power what would it be? Chloe M

I can't decide if I would want to be able to turn invisible or to read people's minds!

Do you have any pets? Blake W

I have two dogs called Doug and Izzy, 3 chickens, 9 chicks, 1 duckling, 9 ducks, a horse called Maybe and some angel fish.

If you could travel anywhere what country or planet would you travel to? Albin

I'm really lucky that I have done a lot of travelling and been to some amazing places, but I think Bali or Vietnam/ Laos as I would like to hike the Ho Chi Minh trail.

If you were the Queen what would you do first? Freddie

I would like to go to the Royal Muse (stables) and go for a ride around the Queens (my!) estate.

What celebrity would you swap places with and why? Reg

This is a tough one! I would love to have done Fern Cotton's job on Radio 1 because she got to meet so many amazing musicians or David Attenborough because he has travelled the world and met so many amazing people and animals!

If you could have any other job what would it be? Eli

I would like to be a large animal vet working out on the farms, treating horses and farm animals.

What's your favourite chocolate bar and why? Belle

Mini eggs don't really count as a chocolate bar so it would have to be Cadburys Marvellous Creations with popping candy because I love how it pops as you eat it!
