Ambition

Mr Hawkins would like to thank everyone that has voted and supported the school in the RGB Community Fund and would like everyone to know that he has collected £1000 worth of tools which will really help him in the many building projects that will take place around the school.

Corona Virus Update

Please be assured that across Ladysmith Federation, we are continuing to follow advice from Public Health England and the Department for Education with regards to any necessary precautions and actions that need

to be put in place.

At the moment, the advice is that schools should remain open and continue to operate as normally as possible. We have highlighted the importance of washing hands and we are reminding the children to 'catch it, bin it, kill it' if they cough or sneeze.

PGL—Beam House

74 of our year 6 children and staff have had the most amazing week at Beam House in north Devon!

It was lovely to see them enjoying themselves outside and the weather was relatively kind to them after a pretty wet start to the week! Take a look at our Twitter feed @ladysmithfed to see more pictures.

Chocolate Egg donations

On Thursday 26th March, the CPTT will be holding an Easter Café in our school hall from 2.30pm.

The School Council would be really grateful for any contributions of foil-wrapped chocolate eggs for their competition prizes. These can be any size and be handed in to the school office before Friday 20th March.
