With regards to bringing the academic year to a 'close' for children, we would love to be able to come up with a way that children can have some sort of 'end event' to this current year and will be taking advice and watching government guidance carefully over the next few weeks to see what, if anything, we can offer whilst maintaining our current provision for key groups.

With the current situation, transition events for the move to the next year group will also look a bit different this year. We have had several suggestions and will be in touch shortly with further details.

Yours sincerely

M. Wilkinson
