

Between Art and Quarantine

During Lockdown a Dutch Instagram account invented the ultimate stay-at-home art challenge: Tussen Kunst & Quarantaine (Between Art and Quarantine).

We thought it would be fun to try it out in year 5. The rules are simple –

- 1) Choose your favourite painting
- 2) Recreate the painting using three items around your house
- 3) Share your re-creation with your teacher (stating whether you give permission to share your picture with the rest of the year group)

Here are some examples of what can be created.
