FEDERATION NEWS

On **Monday 8th May**, the NSPCC are hosting an Internet Safety workshop at the Junior School hall at 2pm. The hour-long workshop will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online.

You will have received a letter today about this; please return the attached slip to give an indication of numbers.

Ambition Adventure Achievement

Ambition Adventure Achievement

Ambition

Lily in year 6 and Eve in Year 4 recently entered the Radio 2, 500 word, short story competition. From 131,000 entries, they are through to the final 5000 stories! Watch this space!

Adventure

Well done to all of our children who performed recently in the Exeter Gang Show. Mrs Callaway and Mrs Stoneman went along to one of the evenings and said how amazing the children were.

Achievement

Well done to Ned who has taken his Grade 4 baritone exam and passed with distinction. He is now practicing for his Grade 5 exam. Well done also to Albie who has received a reply from J K Rowling to the letter he wrote asking her to write more books! Today in assembly Trudy in year 4 shared with us her achievement of being a voicover artist for CBBC based on characters by David Lawrence Jones. A big thank you to all the children and parents who have volunteered to be reps! We now have an adult and child CPTT representative for each class across the federation

+ Sport, Move and Learn Project

Over the course of six weeks, children from Year 5 will spend nine hours learning about the importance of a healthy diet and lifestyle. Each week the children will take part in a 90 minute session; spending 45 minutes in the classroom covering six different topics related to the body, nutrition, the importance of exercise and information about food groups, in line with the recommendations in the Government's eatwell plate. They will then spend 45 minutes taking part in a practical session made up of football, handball and dodgeball (two weeks per sport). The children have really enjoyed their first session this week and are looking forward to continuing with the project this half term.

Lunch Menu Confusion

Apologies to anyone who has been confused by the latest menu for school dinners. It is difficult to tell on some days which option is the meat option and which is vegetarian. When choosing their lunch, your child will be asked whether they want option 1 or option 2 from the menu, as on some days, both options are vegetarian.

Year 5 Devon County Show Competition

Year 5 are taking part in a competition run by the Devon County Show to design and create a plant feature. We have a large raised bed which we need to fill with plants. Year 5 have requested donations to use for the project; they need small plants with flowers that are either yellow or maroon in colour. If you can help, please send any plants to Mrs Salter or take them to the main reception.

Marathon Success!

We are hugely proud of Mrs Pang who completed the London Marathon at the weekend in an impressive 5 hours and 4 minutes. What a great example of Ambition, Adventure and Achievement!

Clubs

You should have received a copy of the clubs letter for the summer term via email which gives details of all after school clubs available this term and how to join them. Letters to apply for school clubs can be found in reception and all Premier Sports clubs are available on-line at www.premiersport.org. If you have any questions, please see Mr Broad. The clubs letter is available on the website.

Year 4 Tag Rugby

Children in year 4 have been offered the chance to play a game of Tag Rugby during half-time at the Aviva Premiership final at Twickenham on Saturday 27th May 2017. Make sure your child has returned their slip by Tuesday 2nd
