Children share the new words and discuss what they think they mean.

### Independent Activity

The little boy was very disappointed that his ball went in the river.  
The girl disobeyed her mum and stayed out too late.  
The football team was at a disadvantage because they only had 9 players.

Share the new words and discuss the meanings, can children tell you any of the words in a sentence?

### Independent Activity

Provide a set of cards for each pair. Each set contains a 'mis' and a 'dis' prefix card. Children need to create words using the correct prefix and record them on their whiteboard. Can they think of any more 'mis' or 'dis' words to add to their lists?

### Introduction

Ask the children what the word homophone means. Can they think of any examples? Define them as words which have the same pronunciation but different meanings and/or spellings. Discuss near homophones have slightly different pronunciations.

### Main Teaching Activity

Using the PowerPoint, display each example on the whiteboard. Ask the children to write down the word that they think goes in each gap.

After each example ask the children to share their responses and discuss any errors or misconceptions.

Teacher can choose to reveal the two spellings before or after the pupil attempts.

### Independent Activity

The other children on their table then write down the correct spelling on whiteboards. The child who created the question shares which they thought was the right question and check each others' answers. The next child then writes a sentence and so on.
