## Infant and Nursery Newsletter

13th December 2019

### Ambition

#### Bug Club

Our ambition is for every child to become a reader. Please make use of the amazing resource: [Bug Club](#) and log in to access the books. If you are finding logging in difficult or have lost your password, please contact the school office.

### Adventure

This week the children have enjoyed taking part in some Christmas enrichment activities. They made Reindeer Food in the Cooking Room, played Christmas Games with Mr Radford and performed Christmas Drama with a specialist teacher.

### Achievement

A huge **well done** to the Year 1 children for doing such a fantastic job in their Christmas performances. They sang beautifully and did well to remember their lines.

## Federation News

### Community Action Day

On Tuesday, there were several police officers around between both schools monitoring driving and parking. They spoke to some parents, giving advice on where to safely drop children off and pick up. This was part of our ongoing work to make our roads safe for the children. They were pleased to see the majority of parents driving sensibly but also recognised the challenges our children face staying safe while travelling to and from school.

#### Parent View

We are always keen to gather your views. Your voice is important! You

can access OFSTED's Parent View here: <https://parentview.ofsted.gov.uk/login?destination=give-your-views>

Children thoroughly enjoyed their Christmas dinner on Wednesday. Many of the staff joined the children in the canteen.

A big **thank you** to the kitchen staff who delivered such a wonderful dinner.

#### Welcome Back!

We would like to welcome Mrs Gemma Jarrell back to Ladysmith as one of the class teacher for Dragonfly class. From January, she will be teaching from Wednesday to Friday, with Mrs Smith continuing to teach the class on Mondays and Tuesdays. Parents of Dragonfly class are welcome to pop-in and meet her after school on Tuesday 17th December.

#### Dodgeball After School Club

Join our popular Dodgeball course and put your skills to the test. Our games, activities and lessons will teach you great new tricks, techniques, rules, and skills in order to be a great dodgeball player and have bundles of fun doing it. Your accuracy, target practice and dodging ability will all be put to good use in this hugely popular up and coming sport.
