FEDERATION NEWS

We hope that you enjoyed the Easter break and are looking forward to the summer term as much as we are. We have a busy term ahead of us but with lighter evenings and the new Junior School building, it is an exciting time at Ladysmith.

We made it!!

We are in our new building and the children, staff and governors are thrilled with the new school.

The move went very smoothly and the children enjoyed their first day yesterday, coincidentally exactly 81 years to the day after the old building was opened in 1936!

Hopefully you have already had a chance to look around the new building. If not, please do pop in one day after school – we are very proud to show it off to as many people as possible!

As with any move, there are 'teething problems' and unfortunately, the phone system hasn't transferred in time. Therefore, for the time being, we only have one incoming line. This may mean that the line into school may be engaged more often. Also, if you receive a call from us, the number will appear as 01392 277437. **This is not our new number** and will not work if you call in to this number. Our school phone number remains 01392 255554.

Clubs

You should have received a copy of the clubs letter for the summer term via email. This gives details of all after school clubs available this term and how to join them. Letters to apply for school clubs can be found in reception and all Premier Sports clubs are available on-line at www.premiersport.org. If you have any questions, please see Mr Broad.

Children, Parents, Teachers, Together
