- The Aurora Project

Humanities

- Learning about the continents of the world
- Exploring the difference in weather between temperate climates and equatorial climates

Science and DT

- Learning about weather
- Exploring materials
- Observing seasonal changes
- Creating an umbrella for Mr Broad

We will have a Hook Day to kick start our new topic on Friday 6th January. We will be discussing what we know about weather, making a weather chart and creating our own windmills. Children can come dressed in the colours of weather (e.g. blue for rain, grey for fog, yellow for sun or all the colours of the rainbow!).
