FEDERATION NEWS

Today we enjoyed a Federation Assembly at both the Infant and Junior Schools. Transition Day across the Federation is taking place next week on Thursday 5th July and children will have the opportunity to spend the day in their new class getting to know their teachers in preparation for next year.

Transition Day

As you will be aware, next Thursday 5th July is transition day for all year groups. Children should arrive at the normal time and go straight to their new classroom where they will meet their new teacher. The teachers are really looking forward to spending the day with the children, getting to know them and answering any questions they might have. After school, please feel free to pop in to meet your child's new teacher. Year 6 children – please remember to go straight to your new secondary school!

CPTT

We recently sent out permission slips so that we can send adverts / information regarding CPTT events. **Please return any permission slips to the office ASAP** so that we can let you know details of the amazing events organised by the CPTT.

If your child would like to run their own stall, please contact the CPTT using the email address above. You will need to provide your own table, an adult must be with the children running the stall and there will be a charge of £5 for the stall.

GROW

We would like to say a huge thank you to Devon Waste Management who donated 2 bulk bags of lovely quality compost to our GROW project. Thanks also to Ellen Jenkins who arranged the donation. It is being used for the Well-being and Sensory Gardens. If anyone has a connection which they feel could be useful to G.R.O.W. please contact Catherine via Facebook or the school office.

Fraser Portraits

Fraser Portraits are collecting class and leavers order envelopes on Wednesday 11th July so please can all orders be in by end of school on **Tuesday 10th July**. Apologies to 5IE – your class name will be correct on the prints!

Sports Days

We were really proud of the children during both sports days this week. They showed real Ambition, Adventure and Achievement through their determination and the way in which they encouraged and supported each other. The 3-legged race provided much entertainment to children and adults and we were impressed with the stamina and strength of the children – there were some incredibly close races with one parent actually providing a photo finish for one of the races.

Tor house were victorious for year 3 and 4 while Venn will collect the trophy for year 5 and 6 but it really was a very close contest and all children should feel proud of their achievements.

A highlight for the children was the parents' races – thankfully, there were no injuries other than damaged pride for some! Mr Williams triumphed in the teachers' race, just ahead of Mr Broad who has now embarked on a strict training regime to ensure victory next year!
