Ambition Adventure Achievement

Stars of the Week

Congratulations to our
Stars of the Week who all enjoyed a hot chocolate!

A Big Thank You

After a very kind donation of paint by Mitie, staff and volunteers spent a busy day over half term decorating the Nursery. A big thank you to all involved and also to Mitie for their generous contribution. The newly decorated classrooms look great and with everyone donating their time we were able to save thousands of pounds which can be used elsewhere in the school ensuring children have the resources they need for their creative and exciting curriculum.

Organic Forest School Produce

Mrs Beecroft will be selling produce from Forest School again on Wednesday 20th June after school in the playground. We have lots of fresh strawberries and flowers. The money raised will go towards buying much needed equipment for the Forest School.

Reception Year

On Monday 11th June, all reception children enjoyed a trip to **Axe Valley Wildlife Park**. The children held a tarantula, stroked a bearded dragon, touched a huge snake and Miss Symons's favourite - fed the meerkats. A day full of excitement and adventure.

Year 2

On Wednesday 20th June, Year 2 are planning to do an Art day with the children during which they will be painting a landscape painting using acrylic paint. Please send your child in with an old shirt or T-shirt to wear over their uniform to protect their school uniform from paint splashes? Many thanks.

"Fruity Friday"

We'd love to hear your feedback on Fruity Friday.

Reading Is Fun!

Remember that everyone who takes part and brings back their sponsorship form and money will be entered into a class draw for a prize.

We are hoping that with the money raised we will be able to update our reading books and library resources.

Winners will be announced next week!

Special Pre-Sports Day Menu

There will be a change to the menu on **Friday 29th June**. Instead of Battered Fish in a bag it will be Hot Sausage Roll, wedges, carrot and cucumber sticks. The vegetarian option is a Hot Vegetarian Sausage Roll in a bag.

Sports Day – 3rd July 2018

Junior School Field

Year R: 9.30 – 10.30am

Year 1: 10.45 – 11.45am

Year 2: 1.45 – 2.45pm

Please can children come to school on Sports Day wearing shorts, t-shirts, trainers, sun screen and a sun hat or cap. A shady water station will be provided as part of the carousel of activities (hopefully to give shelter from sun not rain!).

We will be going across to the field at various times before Sports Day to practice, so it would be very helpful if all children could keep a pair of trainers in school, plus t-shirt and shorts as well for Year 1 and 2 children.

Clean Air Day - Heavitree Walk to School

Heavitree Community Partnership on the morning of Clean Air Day Thursday 21st June and Sunday 24th June, will be carrying an air pollution meter on two different routes to Ladysmith and St Michael's Schools to see if they can find a cleaner and greener route to school!

The support for the **OPAL** project has transformed outside play for our children, giving them happy, active play experiences where they can explore, imagine, build, socialise, create, dance and make choices. Children return to class after break ready to learn.

Have you got Carpentry Skills?

Several 'Pallets' have been donated to the School for the Opal project. It would be really great if someone could spare some time and construct something wonderful for the children to explore.

Colour Fun Run

CPTT reps for Rabbit and Hedgehog classes are running the bottle tombola at the Colour Fun Run in July. The bottles can be pretty much anything (wine, cordial, squash, fizzy etc), please can you give them to the class teachers or the office. Many thanks.
