

Y5 Spring 1 2023

We wish you all a Happy New Year We are looking forward to another fun and exciting term ahead, continuing the really positive start to Year 5 in the Autumn term. We appreciate your continued support with learning and homework at home. You will find out more about what we are covering below.

Maths

Fractions
Multiplication & Division
Decimals & Percentages
Perimeter & Area

Please encourage Times Table practise at home as this will be fundamental in our learning.

Geography

why are Jungles so wet and deserts so dry?

We will be looking at how climate has influenced landscapes, plants, animals and human activity on Earth.

Note:

Reading records

Children should continue recording their reading in their Reading Records.

These need to be completed by the children, and then be signed, weekly, by an adult.

Please encourage your child to complete their AR quizzes.

Please speak to your child's teacher if TT Rockstar passwords are needed.

English

One Small Step - based on short animation. Children will write a Fictional story.

Mars Transmission.
Children will write a non-fiction report as a space explorer.

Art / DT

Linking to Geography, using drawing and Applique techniques.

Science

Forces: air resistance, gravity, friction, inertia

Please continue to provide kitchen roll inserts, or wrapping paper inserts (no toilet rolls).

PE

Will continue indoors on a Monday and outside on Wednesday mornings.

Please remember to bring a jumper/coat as the lessons continue outdoors whenever possible.
