Year 6 SAT Results 2016-17

Below is a table of unvalidated Year 6 SATs results.

	Ladysmith % 2016-17	National Average % 2016-17	% Difference
Combined Reading Writing Maths % pupils achieving expected standard	65	61	+4
Combined Reading Writing Maths % achieving higher standard	9	9	=
Reading % pupils achieving expected standard	73	71	+2
Reading % achieving higher standard	31	25	+6
Maths % pupils achieving expected standard	78	75	+3
Maths % achieving higher standard	21	23	-2
Writing % pupils achieving expected standard	84	76	+8
Writing % achieving higher standard	17.5	18	=
EGPS % pupils achieving expected standard	75	77	-2
EGPS % achieving higher standard	29	31	-2
Average scaled score **Reading**	105	104	
Average scaled score **GPS**	106	106	
Average scaled score **Maths**	104	104	

Progress Measures KS1 to KS2

Subject	Progress Score	Confidence interval
Reading	-0.16	(-1.6 to 1.2)
Writing	-0.01	(-1.4 to 1.4)
Maths	-1.21	(-2.5 to 0.1)

A school's progress scores for English reading, English writing and mathematics are calculated as its pupils' average progress scores. This means that school level progress scores will be presented as positive and negative numbers either side of zero.

• A score of 0 means pupils in this school, on average, do about as well at key stage 2 as those with similar prior attainment nationally.

• A positive score means pupils in this school on average do better at key stage 2 than those with similar prior attainment nationally.

• A negative score means pupils in this school on average do worse at key stage 2 than those with similar prior attainment nationally. A negative score does not necessarily mean a school is below the floor

Confidence intervals

Where a confidence interval overlaps zero, this means that the school's progress score is not significantly different from the national average.
