Friday 6th November 2020

Ambition

Bench Ball

Year 4 showed some impressive bench ball skills this afternoon in an intra-school competition run by Nick Gillard who is working with us as part of St Luke's Church of England School's Partnership.

Adventure

Year 6 children have started the Bikeability sessions this week, venturing out onto the roads around school. The instructors were really impressed with the way in which the children focused and listened to instructions.

Bikeability sessions will also be made available for children in year 4 where they can work towards level 1. Letters have been sent out.

Achievement

Well done to our stars of the week!

Year 3:

Ruby, Darcey and Lily-Blue

Year 4:

Adam, Will and Maisy

Year 5:

Ellie, Finley, Bradley, Henry and Chloe

Year 6:

Esther, Lily, Thomas and Ollie

Children
in Need

Friday 13th November

We will be supporting Children in Need next Friday by inviting the children to wear non-uniform to school for a donation.

Online gaming is a great way for kids to be creative, learn new skills and stay connected with friends. But with so many different games available and new ones popping up all the time, it can be difficult to stay on top of exactly what your child is doing online. To support you, the NSPCC has put together some advice on how you can keep your child safe while gaming.

Gaming Tips

Many gaming platforms have chat functions that let you speak to other players. We know this can be worrying – especially if your child is chatting with people they don't know online. You might want to check out the NSPCC latest advice article on [Talking to people online: When should I worry?](#) to help you understand more about why kids might make friends online and signs to look out for.

Dia de los Muertos Day—Year 5

Year 5 children (and staff!) looked fantastic today in their costumes and they spent a very creative day making masks, cooking and eating traditional tortilla wraps and creating an impressive weaving from willow and wool. They also made fake flowers from tissue paper.

Clubs

Unfortunately, for the duration of the current national lockdown, government guidance states that we are not able to offer any extra-curricular clubs. Those who have already signed up to clubs should have received an email from Premier Sports confirming this.

Jacket Potato

On the new dinner menu it states that a number of filling choices are available each day for Jacket Potato meals; however this isn't the case. The choices are as follows:

Mon: Beans - Tues: Cheese - Wed: Tuna - Thurs: Beans - Fri: Cheese

Dates for the diary:

13.11.20—Flu Vaccines

13.11.20—Children In Need—Non-uniform for a donation

18.12.20—Last day of autumn term
