

Year 4 Learning Letter

We hope you have all had a great half term. Details of our key learning for the second half of the summer term is set out below. While some topics/units may change, others will stay the same - such as our overall topic which is still Mountains, Volcanoes and Earthquakes. We are now moving onto Volcanoes. A detailed breakdown of this can be found on our website. We are hoping to organise a trip to Killerton to take part in an Orienteering Day.

If you have any problems or questions, please see your child's teacher who will be happy to help.

Our main Topic is Mountains, Volcanoes and Earthquakes

Key learning in Maths

- Money - ordering money, converting £ to p, adding and subtracting money and giving change.
- Time - hours, minutes, seconds, days, months, years, converting analogue to digital
- Shape - properties of 2D shape, angles and symmetry

Key learning in English

Key texts- **The Iron Man** - narrative

- Describe character and setting using powerful vocabulary.
- Use fronted adverbials to link sentences.
- Practice a range of sentence types
- Use correct punctuation including inverted commas for speech.
- Practise neat joined up handwriting.

Homework

Please could your child read every day at home, (either to someone else or by themselves if they are able to) and complete one activity a week in their reading journal which will be checked on Fridays. They should bring their reading book to school every day. They will have spelling and times tables to learn every week.

PE

PE will be Striking and Fielding and Athletics. On Mondays and Wednesdays and children will need to wear their PE kit for these days.

Science -Living things continued

- recognise that living things can be grouped in a variety of ways
- explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment
- recognise that environments can change and that this can sometimes pose dangers to living things
