Summer Term

Journeys and Adventures

Here are some of the things we are covering this term and some ideas of what you could ask your child about to hear more about their learning journey.

Music

- To play tuned and untuned instruments musically
- Listen to a range of high quality live and recorded music
- Ask me what is my favourite music and why

Art and DT

- Drawing using a variety of media including pencils, crayons, pastels, charcoal, pen and chalk to explore line, shape, patterns and colour
- Draw figures and objects and begin to understand shading and tone
- Ask me to draw a family portrait

Science

- Identify and compare the suitability of a variety of everyday materials
- Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching
- Ask me which materials can bend, twist squash or stretch
