

## Y3 SPRING 1ST HALF TERM

### HAPPY NEW YEAR

Happy New Year to all! We hope you have all had a restful holiday and managed to stay safe and healthy. We are really excited to welcome everyone back to continue our Year 3 journey. We have a cracking half term planned with lots of fascinating learning and exploring to do. As always, if you have any questions or problems, then please come and see your class teacher and we can find a solution together. Below you will find key learning for the half term. While some topics/units may change, others will stay the same - such as our overall history enquiry - the Ancient Egyptians. A detailed breakdown of this can be found on our website.

### History Learning – we will continue our historical adventures by learning about the Ancient Egyptians

#### Key learning in Maths

Multiplication and division:

- To further our understanding of multiplication and division.

Money:

- To be able to use money correctly and solve real life money questions.

Statistics:

- To be able to interpret different statistics and data.

#### Key learning in English

Key Texts - The Myth Atlas

KEY OBJECTIVES:

- To use adverbials (time and place) to give extra detail.
- To express time, place and cause using conjunctions (when, before, because)
- To expand before nouns using adjectives.
- To use resources to up-level writing.
- To develop editing skills.

### Homework

It is really important that children are taking home their library books and bringing them back to school everyday. Children should still be reading their library books daily, either independently, or/and with an adult and recorded in their reading record.

We will be continue to complete weekly times tables and spellings tests on a Friday.

#### PE

Our PE days will be Tuesdays and Thursdays. We will be learning dance and badminton.

#### Music

We will be learning how to play the xylophone.

#### Memorable Moments

Defying gravity.  
Egyptian Mummification ceremony

#### Science

We will be investigating all things to do with light.

#### RE

We will be learning how festivals and worship matter to Muslims.

#### ICT

Understanding how to keep ourselves safe on the internet.
