

Y3 SPRING 2ND HALF TERM

HALF WAY!

Wow, half way through Year 3! How time has flown. Firstly, a huge thank you and well done to all in Year 3, you have all been incredibly resilient and adaptable throughout a turbulent half term. We hope you have had a restful half term. We are excited to get stuck into this half term's learning and have some magical adventures together. As always, if you have any questions or problems, then please come and see your class teacher and we can find a solution together. Below you will find key learning for the half term. While some topics/units may change, others will stay the same - such as our history learning. A detailed breakdown of this can be found on our website.

History Learning – we will continue our historical adventure throughout the Ancient Egyptian Empire.

Key learning in Maths

Units covered:

- Measurement - length and perimeter.
- Money.
- Statistics
- Fractions

Key learning in English

Key Texts:

- I am not a label.
- Fantastically great women of the world.

KEY OBJECTIVES:

- To begin to use more complex words and features.
- Use learned spelling techniques at point of spelling.
- To continue to develop writing stamina.
- Develop editing and up-levering skills.

Homework

Just a reminder that children will need to bring a school library book to school every day. If your child needs to take a quiz then we will do our best to organise that and get a new library book for them.

We will continue to complete weekly times tables and spellings tests on a Friday.

PE

Our PE days will be Tuesdays and Thursdays. We will be learning about healthy living and tennis.

Music

We will be continuing to learn how to play the glockenspiel..

Memorable Moments

Making art using different objects. defying gravity. Have a picnic

Science

We will be investigating all things magnetism and forces.

RE

Investigate all things Jewish including celebrations.

ICT

Immersing ourselves in basic ICT skills and coding.
